" _____ audition, number _____.

They will be playing a _____ Major scale.

They (will / will not) be playing the excerpts.

Their solo is _____ (title above)

by _____ (composer above)."

AUDITION PROCESS AND PARTICIPATION REQUIREMENTS

ALL GRADES:

Audition Process: I understand that all students must audition each season, regardless of prior participation in AYSP. Acceptance and placement in an AYSP ensemble is competitive and is based on the audition. Decisions of the audition adjudicators are final and may not be appealed. Students may not re-audition for the current season.

Attendance: If accepted and placed into an AYSP ensemble, I understand that I must abide by the AYSP attendance policy, which limits unexcused absences to four per season (two per semester). Required school music events do not count against the absence limit. I understand that the attendance policy does not apply to scheduled dress rehearsals and concerts as they are REQUIRED. (See AYSP Attendance Policy for details.)

Tuition Fees and Tuition Assistance: I understand that all AYSP ensembles require tuition fees, as set annually by the AYSP Board of Directors, and the payment in full of required tuition when due is a condition of my continued participation in my ensemble next year. I also understand that if my tuition is not paid in full next year I will not be eligible to participate in AYSP any following year until paid in full. I understand that AYSP may offer financial aid (need-based for tuition fees) and that an application for financial aid is available on our website at www.aysmusic.org.

School Enrollment: If I accept placement in an AYSP ensemble, I understand that I must be enrolled as a regular member of my curricular school band or orchestra if offered. I understand that I must participate on the same instrument on which I am accepted into AYSP. Enrollment will be verified with schools annually. (See AYSP School Music Participation Policy for details.)

GRADES 9-12 ONLY:

Audition Excerpts: I understand that audition excerpts are required for placement in the Youth Symphony and the Youth Orchestra. If I choose not to perform the excerpts, I will be eligible for placement only in the Youth Concert Orchestra.

Tours: I understand that AYSP may offer tours for high-school ensembles, and students are encouraged to participate in tours when they occur. However, participation in tours is not required for participation in AYSP. I understand that tour fees are separate and in addition to tuition fees.
